

THE SPA AT STRAWBERRY HILL SPRING SPECIAL

Spring is a time to refresh and rejuvenate –

Let us take you on a journey of renewal.

Begin with our signature Body Elixir treatment, a combination of Blue

Mountain coffee & brown sugar to exfoliate & tone your skin.

Relax and unwind with a warm hydrotherapy Vichy shower massage;

this invigorating rain shower from a scotch hose cleanses and washes away tired skin cells, while providing a deep tissue massage.

All followed by a nourishing essential oil hydration.

Complete your journey with a revitalizing 30 minute reflexology treatment to put a little “spring” back in your step.

— 90 minutes USD\$140 —
